How A Plant Based Diet Can Save The World

**7 p.m. Tuesday, February 28, 2012
213 S. Wheaton Ave., Wheaton, IL**

The world is facing a looming global warming crisis. Attend this presentation and learn how we can be part of the solution if we begin making healthier food choices.

Our speaker will be Mike Durschmid. Mike is a GMO-Free, Vegan Activist; Anti-Consumption-ist, Climate & Social Justice-ist, and Egalitarian-Horizontal-ist. He became a vegetarian 31 years ago while attending the College of DuPage, and has been a vegan the past 25 years.

Free and open to the public. Light refreshments will be provided.
